

## Editorial note for onkologia i radioterapia

I am very much pleased to inform you all that during the year 2019, Onkologia I Radioterapia has published online all the issues of Volume 13 within the time and the print issues were also brought out.

We have received articles from different on various topics like Breast Cancer Biomarkers, Whole- Brain Radiotherapy, Immunotherapy, Colorectal Carcinoma, Phyllodes Tumor, Glioblastoma, etc. In year 2019, OAR has published more than 20 articles from different topics of cancer and radiation therapy. Besides this OAR also brought out an online special issue in February this year. The CiteScore for 2018 was 0.07, and the SJR impact factor value for 2018 is 0.103. The Source Normalized Impact per Paper (SNIP) value for 2018 is 0.016. The H-index of the journal however, increased to 02. The journal has also placed in SCImago good journal ranking in the field of Oncology in all over the world. During the year 2019, the Journal Onkologia I Radioterapia has received articles more than 100 papers out of which 80 articles (90%) were rejected in the preliminary screening due to plagiarism or being out of the format. During 2019 around 20-25 articles were subjected to the peer-review process and 25 of those were accepted. In the 4 issues of Volume 13 published during the year 2019, a total of 25 articles were published (at an average of 6-7 articles per issue) of which, 50% articles were by foreign authors. There are more than 30 Reviewers and Editors are involved and associated with the journal. Publication time for journal has been maintained to 6-8 weeks of time.

I take this opportunity to acknowledge the contribution of Dr. Ludmila Grzybowska-Szatkowska (Editor in chief) from Department of Oncology Medical University of Lublin, Poland, during the final editing of articles published and the support rendered by the editorial assistants, Rahul K Sharma and Jessica Beach, in bringing out issues of OAR in time. We would also like to inform that we have successfully entered in the Volume 14 and also release the first issue of 2020, volume 14 and issue 1, In February 2020, we have also release first special issue.

I would also like to express my gratitude to all the authors, reviewers, the publisher, the advisory and the editorial board of OAR, the reviewer Board, the office bearers and staff of OAR secretariat for their support in bringing out yet another volume of OAR and look forward to their unrelenting support to bring out the Volume 14 of OAR in scheduled time.
